

2008 TIDY DISTRICTS COMPETITION

@

LEOPARDSTOWN HEIGHTS

Our entry for the Competition has been submitted to DLRCC. Judges will be visiting our estate during the **Month of July.**

Mini Clean-Up Evening

After a very successful community clean up in April, and coming second in our category last year (results on back), we now need to prepare for the visit of this year's judges. There will be a mini clean-up evening in the estate on

WEDNESDAY 2 JULY

Everyone is welcome to join in, even if you only have 20 minutes to spare. Tom, Stephen, Toni, Helen & Sylvia from the Greens sub-committee will be on the Green **7 - 9 p.m.**

Aims for the evening are to clear litter, remove weeds from pavements/kerbs, lift any glass from paths on green & tidy up entrance to the Way. Please join us and bring a willing pair of hands, a spade if you want to lift weeds and a sense of humour!

Light refreshments will be provided.

Our challenge then is, together, to keep our community looking as tidy as possible during the month of July. Everyone is encouraged to get out and tidy front of house, particularly the grass verges and to pick up that piece of litter on your own road even though you didn't drop it. Let's get our estate looking even smarter – somewhere we can be proud to bring our relatives and friends.
